MATCHING GAMES
Players match two or more things that look the same or go together in some way. The matched objects might be shapes, colors, numbers, or clay-made characters.

TRY:
- Ready, Set, Necklace!
- Pict-O-Clouds
- Four-In-A-Row Friends

COLLECTING GAMES
Players collect items such as clay-molded shapes or pictures. Often, the goal is to be the first to collect a certain number of items, or complete set of items.

TRY:
- Laserang Catch
- Jewel-Go-Round
- Planet Hopping

PATHWAY GAMES
Players move from one point to another. The path might be straight or twisty, but the goal is to get to a finishing point.

TRY:
- Mickey Park Dash
- Clover Finder
- Whirlpool Surfing

OBSERVATION & MEMORY GAMES
Players use their sense of sight and touch to identify characters and objects. Some of these games also test the player’s memory.

TRY:
- Discovery With Doc
- A Day at the Beach
- A Day at the Office

PUZZLE GAMES
These solo games test a player’s reasoning and logic skills. The goal can be to complete a pattern or move through a maze.

TRY:
- Jewel Box Shuffle
- Star Dodge
- Hedge Maze - By the Numbers
GOAL
Be the first player to reach the gate of Mickey Park.

SET UP
Attach the spinner. Players choose a Mickey and place their mover on the Start space.

ON YOUR TURN
1. Spin the spinner.
2. Move your Mickey along a path and stop when you land on a space that matches the color you spun. There may be different paths to take.

ENDING THE GAME
The first player to reach the Finish space at the Mickey Park gate wins!

SKILL LEVEL
The Mickey ears indicate the difficulty level of each game:

= EASIEST
= MEDIUM
= CHALLENGING

With so many games and puzzles, you’ll have plenty of choices!

DISCOVERY CONCEPTS
Players will be exposed to a variety of concepts that will spark their imagination and develop their learning skills. Each time they play, they can discover more!

WHO GOES FIRST?
On every game, the player whose birthday is next goes first!

SPINNER
When the rules call for you to “attach the spinner,” place the suction cup spinner firmly on the round spinner area where you see this icon: . The suction cup spinner can be moved to a new board with each new game you play.

GAME PIECES
MOLDS AND CLAY
You create the pieces for the games with the included clay and molds. Place a lump of clay in the desired mold and press the lid down tight. Then open the lid and remove the molded piece.
