I Can Do That Games Monkeys Around

Helping friends is super fun with the **Curious George Super Helper Game**, from I Can Do That Games. Kids flip over three cards to see who needs help, choose where they want to help, then drop the ball, coin, or cube into the tower and try to

make a match. The bouncy ball, flippy coin, and dice cube tumble through the roof of the tower and magically come out on different sides. The player who helps the most wins the game.
